

Congratulations

We would like to appreciate all the girls who had register themselves for the DigitalLaado-2019 batch & the response has made us to think to increase the number of batches from next Year.

As we are bound to shortlist only 72 Girls so we cannot select all but still daughters who are not shortlisted can still be a part of one day Mega session whose details will be shared by e-mail & phone calls where they will get the understanding of the 30Hrs Digital Expertise DigitalLaado training and if they want to go for **advance courses** they will be offered 30% discount on the same.

Congratulate to all the Daughters shortlisted for the DigitalLaado-2019 batch. Please find the list below. You will get the call and the mail for the further details :
